

A free business network for people in the Local Produce industry.

Are you interested in connecting with people in your industry?

The Desert Knowledge Australia Local Produce Network connects small businesses across Outback Australia.

We use web-conferencing at hosted sites across the desert so you can meet and share ideas.

You'll also access great opportunities like:

- presenting your products to potential buyers at the Virtual Trade Fair
- booths at trade shows
- referrals to business support agencies.

The Desert Knowledge Australia Local Produce Network is part of Desert Knowledge Australia Outback Business Networks.

“Taking part in the Virtual Trade Fair, has proven to be a worthwhile opportunity. Not only have I accessed new outlets for my products but I have also linked up with Jason King from Bell’s Milkbar in Broken Hill, who has created a delicious Wattleseed Milkshake Syrup, using my Wattleseed Extract as the flavouring ingredient. We plan to both market this product and more.”

Mark Lucas, Australian Native Bushfoods, SA

“We’ve been incredibly supported by the Outback Business Networks - it’s put us in contact with several other people in the area who have been able to add-on to our business.”

Katherine Paynter, Binduli Wines, WA

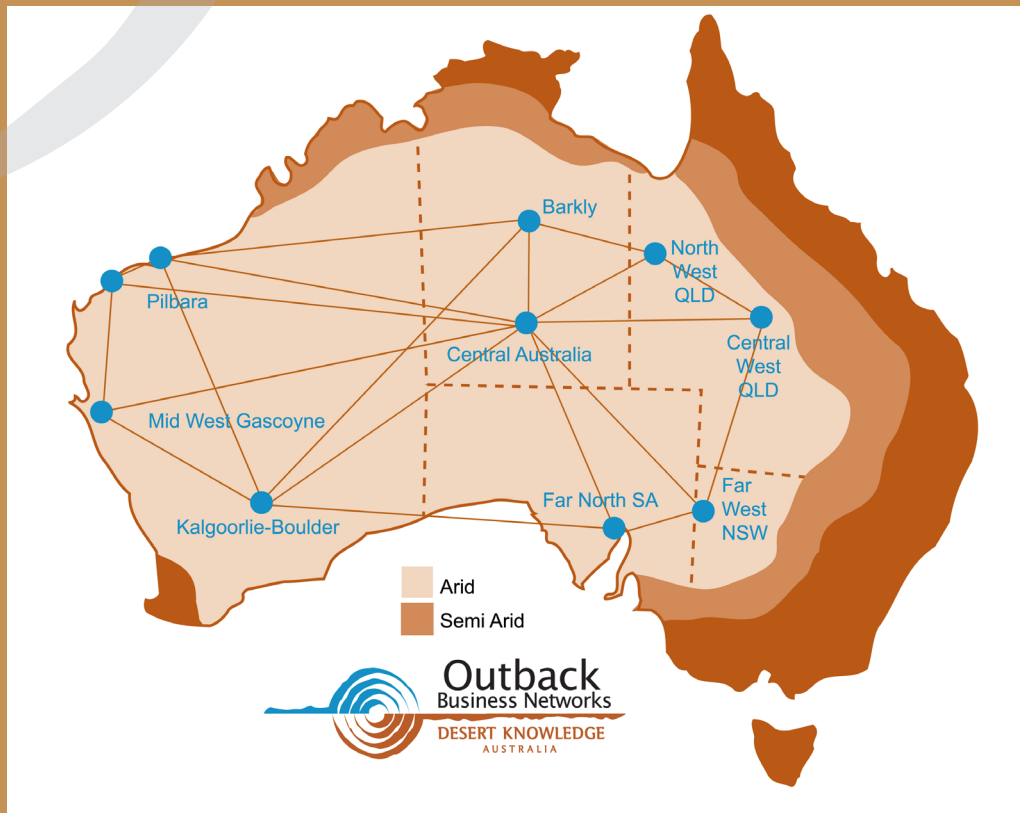

Joining the network can help you:

Save time accessing information and contacts

Connect with people across industry, region and Outback Australia

Reduce cost through shared marketing, training and purchasing

Increase revenue through collaboration

You'll also benefit from:

An online database to promote your business

Discounted advertising through our media partners

Efficient communication through technology

Local contacts who know your region

Referrals to specialised services for small businesses
