

A free business network for people in the Mining Services industry.

Are you interested in connecting with people in your industry?

The Desert Knowledge Australia Mining Services Network connects small businesses across Outback Australia.

We use web-conferencing at hosted sites across the desert so you can meet and share ideas.

You'll also access great opportunities like:

- 'meet the buyer' sessions with mining companies
- booths at trade shows
- referrals to business support agencies.

The Desert Knowledge Australia Mining Services Network is part of Desert Knowledge Australia Outback Business Networks.

"We were fortunate to be part of a 'meet the buyer' session with BHP. This is absolutely priceless for giving us an avenue for putting ourselves in front of a major player. Without Desert Knowledge we definitely wouldn't have had that opportunity."

Mick Wild, Wild Drilling, Qld

"It's really important we're in the network. It keeps us in the know of what's going on and what opportunities are out there."

Chris Collins, Alice Springs Helicopters, NT

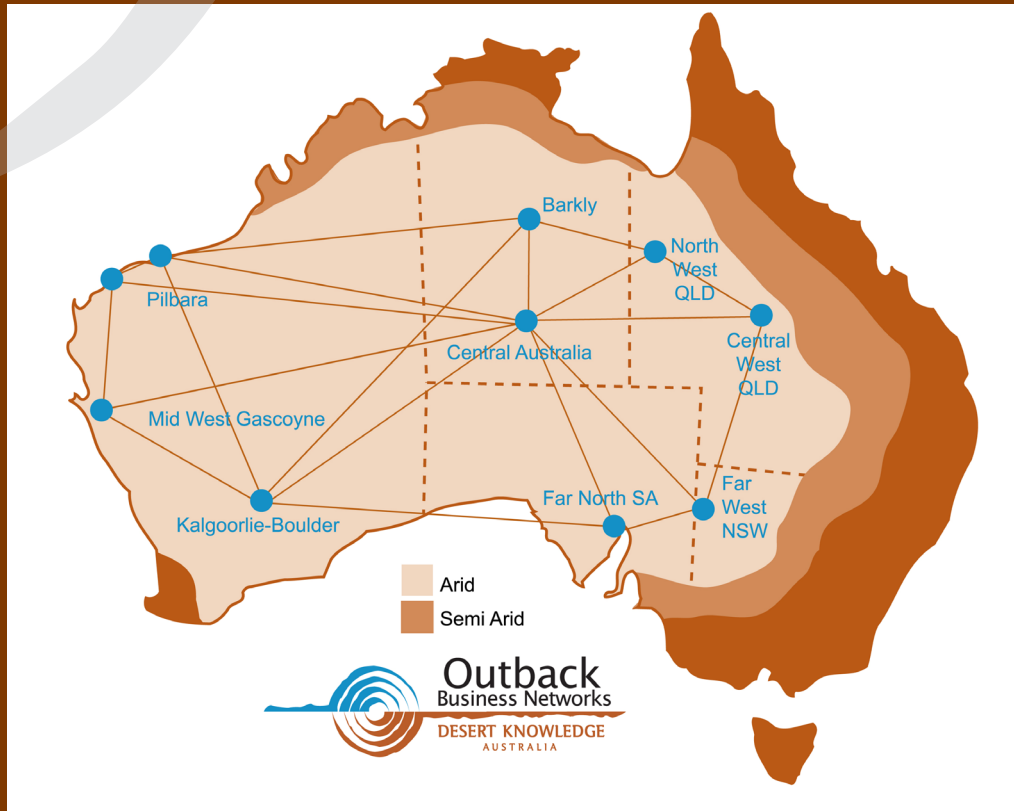

Joining the network can help you:

Save time accessing information and contacts

Connect with people across industry, region and Outback Australia

Reduce cost through shared marketing, training and purchasing

Increase revenue through collaboration

You'll also benefit from:

An online database to promote your business

Discounted advertising through our media partners

Efficient communication through technology

Local contacts who know your region

Referrals to specialised services for small businesses
