

A free business network for people in the Creative Industries.

Are you interested in connecting with people in your industry?

The Desert Knowledge Australia Creative Industries Network connects small businesses across Outback Australia.

We use web-conferencing at hosted sites across the desert so you can meet and share ideas.

You'll also access great opportunities like:

- subsidised training
- booths at trade shows
- referrals to business support agencies.

The Desert Knowledge Australia Creative Industries Network is part of Desert Knowledge Australia Outback Business Networks.
