

A free business network for people in the Sustainable Building industry.

Are you interested in connecting with people in your industry?

The Desert Knowledge Australia Sustainable Building Network connects small businesses across Outback Australia.

We use web-conferencing at hosted sites across the desert so you can meet and share ideas.

You'll also access great opportunities like:

- booths at trade shows
- referrals to business support agencies.

The Desert Knowledge Australia Sustainable Building Network is part of Desert Knowledge Australia Outback Business Networks.

*“What impressed me the most was the wealth of knowledge and the ability for that knowledge to be shared unlike what you would find in the metropolitan areas. The ability for people to connect in the outback through these teleconferences and the networking is unbelievable.”*

**Craig Patu, Goldfields Steel Framing, WA**

*“It was a fantastic worthwhile exercise, I believe having a presence on the stand really helped lift my profile and credibility within the industry.”*

**Jim Thomson, Outback Energy Supply, WA** on joining a collaborative booth at the ATRAA Conference.

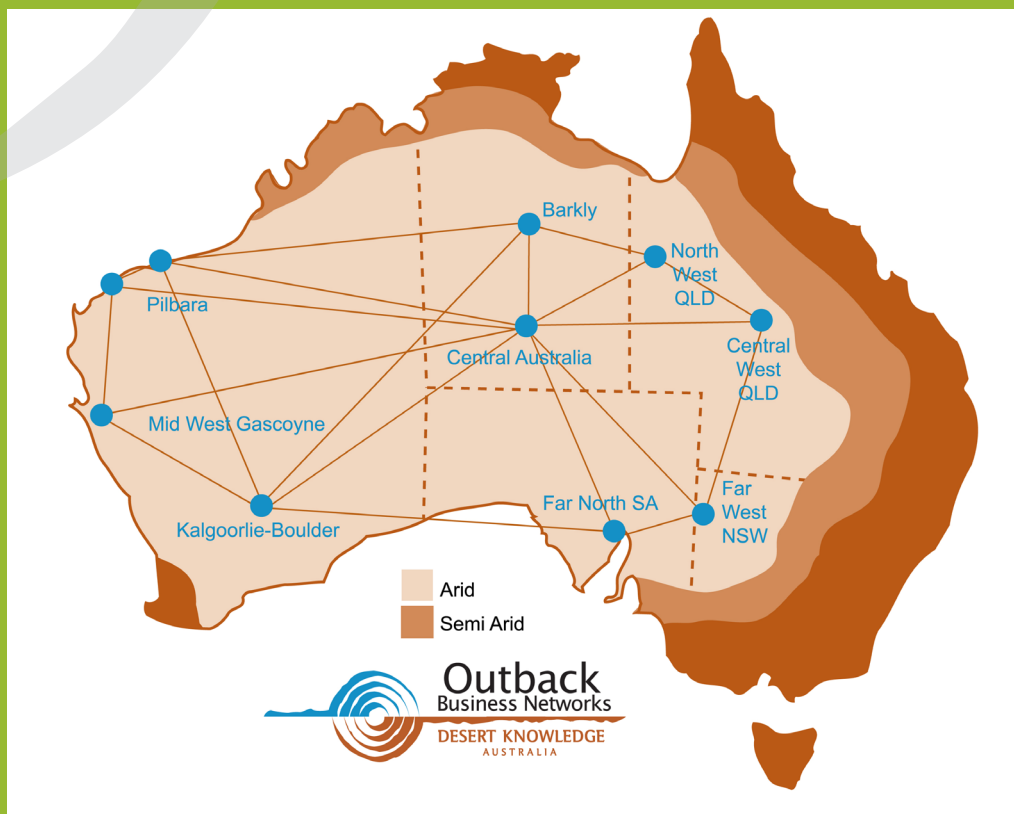

## Joining the network can help you:

**Save time** accessing information and contacts

**Connect** with people across industry, region and Outback Australia

**Reduce cost** through shared marketing, training and purchasing

**Increase revenue** through collaboration

## You'll also benefit from:

**An online database** to promote your business

**Discounted advertising** through our media partners

**Efficient communication** through technology

**Local contacts** who know your region

**Referrals** to specialised services for small businesses
